Home Learning Reminder

Phonic Home Learning

Every **Friday** your child will bring home a **home phonic book**. There will be a list of spelling words that we will be learning the following week. Please help your child to learn these spellings at home throughout the week. **This book needs to be returned to school every Friday.**

Home Reading

Please can your child bring their reading books to school **everyday** as we may have the opportunity to listen to them read more than once each week.

Keywords

The children will continue with their high frequency and tricky word books. The children will need to learn to recognise and read these words. Please keep this book in your child's reading bag and bring it to school everyday.

Big Maths

Each week your child will bring home their Big Maths Clic and Learn It challenges that they have completed in school. Please take some time each week to look over these sheets and help your child practice the questions they are finding tricky ready for the following week (they are circled in green pen). The children love nothing more than getting promoted when they get full marks! These sheets can then be kept at home. They do not need to be returned to school.
