

Shwmae Dosbarth Garw!

I am writing to tell you what happened to me last week in the Jungle Dance. Some of the animals here made me *cry*.

It was in the middle of *July* and when I got the invitation, I didn't hang around and sent back *my reply* straight away to tell them I could come.

When I got there, I felt a bit *shy*. I'm not too sure *why* but I danced anyway. I wasn't very good though and my fellow animals were so *s/y*, they laughed at me!

After I had spoken to *my* friend, Mr Cricket, who said to give it a go and not to worry about anyone else. I went back, I danced again and everyone loved it! I felt so happy, I could *fly* to the *sky*!

I hope you are all having a fun week at home.

From,

Gerald the Giraffe
