

Subtracting 10, 100 and 1000.

When you **subtract 10**, the **Tens** number changes.

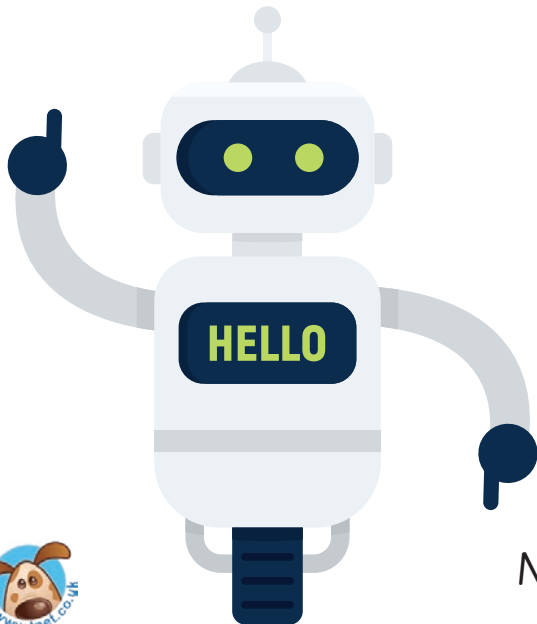

$$3082 - 10 = 3072$$

When you **subtract 100**, the **Hundreds** number changes.

$$4521 - 100 = 4421$$

When you **subtract 1000**, the **Thousands** number changes.

$$6709 - 1000 = 5709$$

| -1000 | -100 | -10 |      |
|-------|------|-----|------|
|       |      |     | 2140 |
|       |      |     | 4385 |
|       |      |     | 6352 |
|       |      |     | 8256 |
|       |      |     | 1689 |
|       |      |     | 7748 |
|       |      |     | 9764 |
|       |      |     | 3512 |

Now try these: • 4867 - 500 • 5789 - 3000 • 3049 - 40
