

Gelatinous Jelly Slime

You will need:

a sachet of jelly powder

125g cornflour

warm water

Instructions:

1. Add the cornflour to a mixing bowl.
2. Next add the jelly powder (choose your favourite colour and flavour).
3. Mix the two powders together and slowly stir in the warm water until you have a slime consistency.
4. Now have fun with your slime!

We hope the information on our website and resources is useful. However, some ingredients and/or materials used might cause allergic reactions, so if you have any concerns about your own or somebody else's health or wellbeing, always speak to a qualified health professional. Remember, activities listed within the resource should always be supervised by an appropriate adult. Although this recipe is safe for children to explore and taste, it is not intended to be eaten in large quantities.
