Class News – Dosbarth Garw by Olivia and Jenson

We have been interviewing Mrs Smith and Mrs Farmer to find out all the great things happening in year 1. Do you want to know what they have been doing? Then read on....

Year 1 have been learning about South Africa and the big 5 animals. These include Elephants, Lions and Rhinos. Lots of the activities they did were linked to these animals and the class have made symmetrical butterflies, snakes and had a Jungle tough tray.

The book they are reading is Monkey Puzzle by Julia Donaldson. They love this book! Soon they will be going on a trip to Noah's Ark Zoo in Bristol. Year 1 also love their new outdoor equipment which was donated by Friends of PPS. In the next issue we will interview Year 2- Dosbarth Ewenni!

We will put the names on the boats soon!

Friends of PPS by Imogen and Ebba

We recently met Beth and Rhia from FoPPS. We spoke to them about all the hard work they do supporting our school. Their team run all the discos, the colour run and the summer fair and they raise money to buy things for our school.

They bought the Teepee's, mud kitchen and all the new equipment we have in class. We told them of all our ideas such as a slide and a climbing frame.

What do they think of the children's ideas? They think our ideas are amazing and great. if they could, they would make all our ideas come true and add them to the school! That was great! come back again sometime friends of PPS!

friends ♥

Our next issue will be out at Easter. It will be Eggcellent!
