Reminder - Parent Voice Group.

As part of our parental engagement initiative we are looking for one or two parents / carers from each year group to join our new parent voice group. This is your chance to let us know if there is anything we can improve - so far we have had only one parent putting their name forward!

As a group we will meet once every half term to talk about and issues in school and answer any questions you may have. We will let everyone know who is on the group so any questions can be passed on before each meeting.

If you are interested in joining the group please e-mail the school office.

Our first meeting will be held in school on Tuesday 8th April from 2.00pm until 3.00pm.
