Lockdown Parent information

This week, all pupils took part in a class lesson and assembly explaining the lockdown procedures at PPS. Within our school, we will refer to a lockdown as 'Quiet Safety Time'.

During these sessions, pupils were introduced to a social story that explains why and when we might need to use Quiet Safety Time. We have created two age-appropriate presentations: one for pupils in Nursery to Year 3, and another for pupils in Years 4 to 6.

We also held a parent and carer information evening last night. Thank you to all the parents and carers who attended. During the session, we shared the presentations and answered questions about our procedures. Links to all presentations can be found below if you would like to review them at home with your child.

We will complete our first Quiet Safety Time drill before the end of the school year and will send a text message on the day to let you know it has taken place. From September, Quiet Safety Time drills will be carried out once each term.

If you have any questions, please speak to a member of staff.
