After costs, 85% of monies raised will go to Tŷ Hafan Children's Hospice. The remaining 15% will be distributed to charities in the local community.

JustHelping supports volunteers, businesses, and charities to contribute to their community and the environment. Our national Christmas tree collection raises essential funds for charities in the local community.

Tŷ Hafan Children's Hospital are collecting trees the 2nd weekend in January. For this service all they are asking is a donation which will go towards us supporting more children across South Wales.

Currently they are only able to support 1 in 10 families and we want to do more, so they are diversifying and trying new fundraising activities like this to enable us to help more families.
