

Lockdown at Porthcawl Primary School

My school is a safe place.

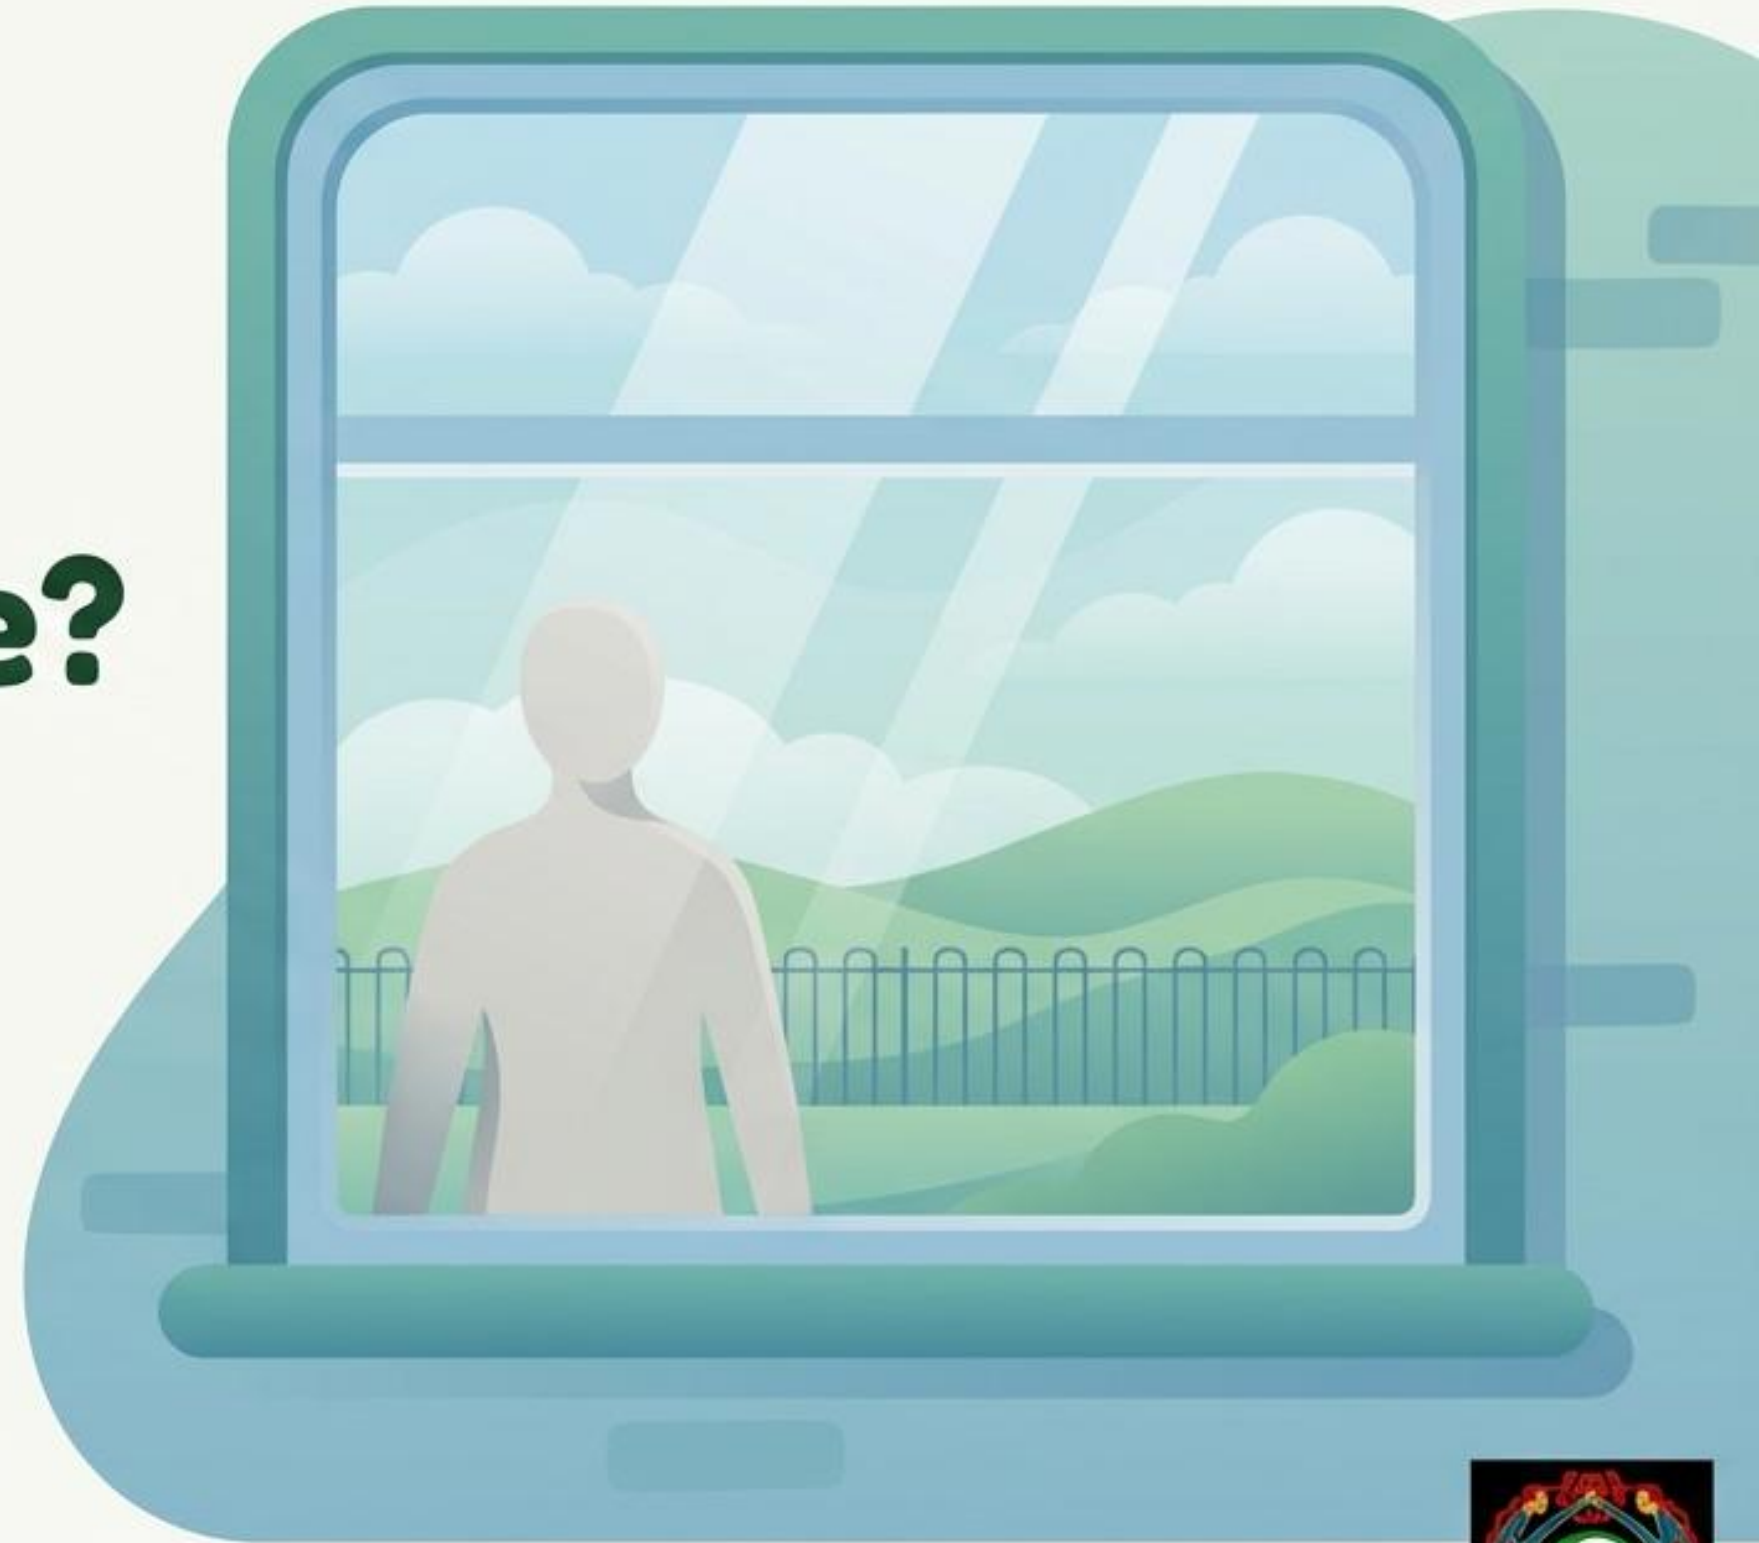

Grown-ups at school work together to take care of children.

Your teachers and staff are here to help and support you every day.

Why do we have Quiet Safety Time?

So grown-ups can check the school building.

Partial Lockdown.

If we are outside, everyone comes inside.

Full Lockdown.

When the bell rings, we go to the nearest class quickly and safely.

We make the room safe.

This is Quiet Safety Time.

We stay away from doors and windows.

Being quiet helps the grown-ups do their job.

We use quiet bodies and quiet voices, or no voices at all.

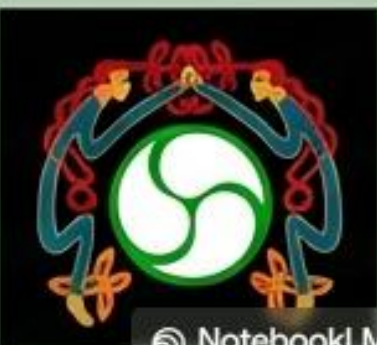

My trusted adult stays with me the whole time.
My trusted adult is there to keep me safe.

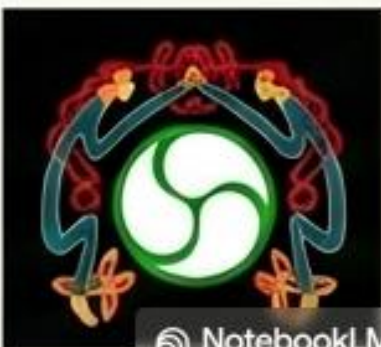

I am not in trouble.

**we stay
calm.**

The grown-ups have finished checking the building.

**My trusted adult will tell us
when it is finished.**

It ends.
