An Interview with Mrs Jenkins

Miss Jenkins' favourite colour is black or purple, and her favourite animal is the elephant. Her favourite thing to do is go to gigs, and her favourite bands are Ozzy Osbourne and Guns N' Roses. Her favourite film is Back to the Future- she has watched it 1000 times and can recite every sentence!

She is also vegan, and her favourite chocolate is vegan Galaxy. Her favourite hobby is going running. Her favourite people (teachers) in the school are all of them! A weird but cool fun fact about her is that she collects shoes and she walked on hot coals for charity! If she could pick a different job, she would still keep her current one.

You may wonder...**WHAT DOES SHE DO?**

She does the dinner register, organises trips, orders supplies for the school, and phones home if someone is ill. She is also really important because she is the first person most people see every day and she is always smiling.

Class information – Dosbarth Conwy

This term in Dosbarth Conwy we are learning about the water cycle in our science lessons. We had lots of fun making a water cycle in a bag. We have begun researching what makes a good healthy sandwich and studied the packaging. In language we have written a story about the Paper Bag Prince. We have also recreated the Van Gogh sunflower painting by drawing it.
